

## **LICKLIDER SHOOTING COMPLEX RULES**

Range fees must be paid prior to use of facilities.

All shooters and guests must sign-in at the registration station BEFORE commencing use of the range

When range is full, please limit open shooting to 1 hour to allow other shooters use of the facilities.

All minors must be under direct supervision of a responsible adult.

Alcohol, illegal drugs, and all those under the influence are prohibited from the range and surrounding area.

All shooting must take place at the appropriate range location.

Range hours are sunrise to sunset. The range is closed December 23-March 1, weather dependent.

No hunting or camping on the property.

Abuse of property or illegal dumping will result in range closure.

Any violation of these rules may result in a citation and/or revocation of range privileges.

## **RIFLE/PISTOL RANGE RULES**

Always keep firearms pointed in a safe direction.

Always keep guns unloaded with actions open and in racks, cased, or holstered unless at the firing line preparing to shoot.

Firearms must be aimed and fired deliberately (no shooting from the hip, etc.) at the berm. No shooting at the ground or objects on the ground. No indiscriminate or "blue sky" shooting is allowed.

No person is allowed down range until shooting has stopped and the range is made safe. Communicated with others before going down range to change/set targets.

Do not handle firearms while others are down range.

Guns must be unloaded with actions open and safeties on when others are down range. Do not handle firearms while others are down range.

Paper targets placed on the target holders and reactive/swinging metal targets placed in front of target holders are allowed. Stationary metal targets and explosive targets like Tannerite are prohibited.

Eye and ear protection is required.

Shooting is limited to legal firearms only. No modern center fire rifle caliber larger than .50 may be fired. Fully automatic firearms, armor piercing ammunition, steel core, incendiary, chemical, tracer rounds, and the like are prohibited. No paintball guns.

Please place all used targets, trash, brass, and empty shotgun shells in receptacles provided. Live ammunition may not go into those receptacles.

Any violation of these rules may result in a citation and/or revocation of range privileges.
